Senator,  
Enclosed is material about our Wallenberg  
Chapter.

We are totally committed to keeping Raoul  
Wallenberg's story alive. Wallenberg is a most  
perfect symbol of man's struggle against power,  
of memory's struggle against forgetting and  
of morality's strength against evil.

No less important, we are also totally committed  
to pursuing the answer to the <sup>vital</sup> question - Is  
Raoul Wallenberg alive and if not, when, where  
and how did he perish.

Just as Raoul Wallenberg doubled and then re-  
doubled his efforts on behalf of Budapest  
Jews we pledge the same, no less, on his  
behalf. The circle shall remain unbroken!

We sincerely invite you to join us, we  
sincerely ask you to help Raoul Wallenberg.

All Good things,  
Robert Kays, Wallenberg Chapter
